

PLAZA VIVA

Mason Park Renovation Project 541 South 75th Street at Tipps Street

The focus area for the Mason Park “Plaza Viva” renovation project is the newly revived “triangle” of Mason Park at 75th and Tipps Street - across 75th Street from the actively-used majority of Mason Park. The vision for this area has been to create a passive use, neighborhood gathering area for community socials and leisurely enjoyment of the outdoors. We are pleased to have completed Phase I in conjunction with the City of Houston Parks and Recreation Department, which includes the installation of a 25-foot diameter pavilion, plaza and walkways.

Fundraising is now underway for Phase II improvements which will beautifully polish-off the project with lush site landscaping, expanded plaza, Colonial-Mexican style fountains, site furniture and a perimeter walking trail.

PROJECT SCOPE

The objective of the Mason Park Gazebo Project is to create civic pride by revitalizing the west site of Mason Park. The project includes:

- 25' diameter Pavilion/gazebo
